**II. A. 2017-18 School Committee Goals Workshop**

The Superintendent presented the School Committee's Goals for 2016-2017. The members reviewed these briefly and then began the task of developing goals for 2017-2018.

The conversation on goals for 2017-2018 centered on extending goals for the new school year under four major categories: Leadership and Governance; Financial and Asset Management; Educational Programs; and Family and Community Relations.

The Committee completed goals development in two of the four areas: Leadership and Governance, and Financial and Asset Management.

The workshop concluded at 6:05 p.m. and the School Committee then continued with the business of their regular meeting, which included an Executive Session immediately following the conclusion of the School Committee Goals Workshop.

A second School Committee Goals Workshop has been scheduled for August 28, 2017.
