II. A. 2015-16 School Committee Goal Setting Workshop

The Superintendent distributed a draft document that incorporated the update to the 2015-2016 goals document that was discussed at the Goals Setting Workshop on July 27, 2015.

There was a discussion around expanding the use of social media as a communication tool. However, it was noted that there should be a person responsible for managing this (Digital Learning Coordinator).

The School Committee focused on updating goals in the area of “Family and Community Relations” and the updates are reflected in the draft document of the School Committee’s goals for 2015-2016. This document will be discussed by the School Committee at the September 14 and September 28, 2015 meetings.

III. Adjournment:

At 6:25 p.m., the Committee voted on a motion by Mr. Webster and seconded by Ms. Imbriano to conclude the goals setting workshop. Motion passed 4-0.
