To see earlier years back to FY93, unhide rows 5 to 18 and 34 to 47.

Foundation enrollment is reported in October of the prior fiscal year (e.g. FY16 enrollment = Oct 1, 2014 headcount).

Foundation budget is the state's estimate of the minimum amount needed in each district to provide an adequate educational program.

Required Net School Spending is the annual minimum that must be spent on schools, including carryovers from prior years.

Net School Spending includes municipal indirect spending for schools but excludes capital expenditures, transportation, grants and revolving funds. Federal SFSF grants in FY09, FY10, FY11, and FY12 and federal Education Jobs grants in FY11, FY12 and FY13 are not included in these calculations. Net school spending is limited to Chapter 70 aid and appropriated local contributions. However, the SFSF and Education Jobs calculations were directly based upon the Chapter 70 formula and helped districts spend at foundation budget levels.

In FY09, this district received an SFSF grant of	648,955	In FY12 the combined SFSF/Ed Jobs amount was	345,505
In FY10, this district's SFSF grant entitlement was	775,942	In FY13 the Education Jobs amount was	0
In FY11, the combined SFSF and Educ Jobs entitlement was	465,047
