II. A. 2018-19 School Committee Goals Workshop

The Superintendent presented the School Committee's Goals and the School Committee's Goals Action Plan for 2017-2018. The members reviewed these briefly and then began the task of developing goals for 2018-2019.

The conversation on goals for 2018-2019 centered on extending goals for the new school year under four major categories: Leadership and Governance; Financial and Asset Management; Educational Programs; and Family and Community Relations.

The Committee completed goals development in the four overarching areas: Leadership and Governance, Financial and Asset Management, Educational Programs, and Family and Community Relations.

A draft of the goals developed will be presented for adoption at the August 27, 2018 meeting of the North Reading School Committee.

The workshop concluded at 6:25 p.m. and the School Committee then continued with the business of their regular meeting.
