You must tell us how often the money is received—weekly, every other week, twice a month or monthly. For earnings, be sure to list the **gross income**, not the take-home pay. Under *All Other Income*, list Worker's Compensation, unemployment or strike benefits, regular contributions from people who do not live in your household, and any other income. For **ONLY** the self-employed, under *Earnings From Work*, report income after expenses. This is for your business, farm, or rental property. If you are in the Military Privatized Housing Initiative or get combat pay, do not include these allowances as income.
- Part 5:** Adult household member must sign the form and list the last four digits of his/her Social Security Number (or mark the box if s/he doesn't have one).
- Part 6:** Answer if you choose.
