### May is Mental Health Awareness Month

This month the school counseling department is challenging you to take a moment to think critically about your social media activity and digital footprint by taking part in the following:

- Clean up your friends lists and followers
- Make your social media accounts private
- Put down your phones and look up! Talk to each other, get outside, participate in life as it's happening around you!
- Help yourself, your friends, and each other this month. Your mental health matters!

On Sunday, May 19th, **EcoTeam and the NR Green Alliance** are co-sponsoring a [town clean up and brand audit from 10am-12pm](#).

Check in at the Town Common and then decide if you want to pick up trash or assist with the brand audit, which involves categorizing plastic materials by type and brand to report data to companies.

*Community service hours are available!* If you have any questions, please reach out to Ms. Kerrigan.
