

Tim's Life Journey, TLJ

Tims Life Journey is a non-profit 501c3. Tim Douglas was an avid fisherman, hunter, motorcycle enthusiast and pool shark! He was the most caring person you could ever have the good fortune to meet. He was always giving of himself. In celebration of his life, we are conducting a motorcycle ride. All proceeds to be split between a scholarship at the Greater Lawrence Vocational School and a contribution to Suicide Prevention. We are looking for 15 Volunteers for 6 hours. For help with set-up, break down, and set up for food. From 8-2
