

AGREEMENT

This CONTRACT AGREEMENT by and between the North Reading Public Schools of the Town of North Reading, Massachusetts (the "School Department") and Alarm Control Systems, Inc. ("Vendor") WITNESSETH THAT:

WITNESSETH THAT:

WHEREAS, the Vendor wishes to furnish Security Camera upgrades at its three Elementary Schools and related services to the School Department and the School Department wishes to engage the Vendor to provide such services under terms and conditions set forth herein and in the documents defined below as the "Contract Documents,"

NOW, THEREFORE, in consideration of the premises set forth above and of the mutual obligations set forth below, and for other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Vendor and the School Department agree as follows:

1. The Vendor agrees to furnish all services, goods, materials and supplies and to perform all work described in the Contract Documents. The vendor agrees to provide services to the School Departments of North Reading, Massachusetts, as described in its Request for Quotations scope of work dated December 2018, and in all events in conformity to the terms RFQ, due December 14, 2018 both of which are hereby incorporated herein by this reference."

2. The term of this Agreement shall begin upon notification to proceed by the School Department and upon their satisfaction completion of the work performed. Work is expected to conclude by January 31, 2019.

3. In consideration of the Vendor's fully and satisfactorily furnishing all services, goods, materials and supplies and completing all of the work as required under the Contract Documents on time and to the satisfaction of the School Department, the School Department shall make the payments to the Vendor called for in the Contract Documents, which payments shall be due monthly upon satisfactory completion of services rendered in the month preceding billing. Detailed invoices shall be submitted in such form as the School Department may require.

4. It is agreed that the quantity of services, goods, materials and supplies to be required under the Contract Documents shall be at the discretion of the School Department,

which shall notify the Vendor as the same are required.

5. The School Department and the Vendor agree that the following documents (the "Contract Documents") are incorporated herein by reference:

General Conditions and Scope of Services in RFQ dated December 2018.

Four signed Addendums related to the RFQ document.

Security Camera Systems Project

Request for Quotations/Proposals

December 2018

**North Reading Public Schools
Request for Proposal
Security Camera Upgrades**

I. Background

The North Reading Public Schools is seeking proposals for an upgrade to its security camera system at its three elementary schools. The project will include both new and replacement interior and exterior camera devices. Interested vendors should provide pricing on the forms provided herein that include a breakdown of both the equipment and labor cost at each school.

The scope of work will vary at each elementary school depending on age and size of the buildings. Interested bidders will be expected to perform site walk through with members of the North Reading Public School's Buildings and Grounds Department to review the scope of work on site. The successful contractor will be expected to familiarize themselves with the existing environment at each elementary school and provide accurate pricing based on the acceptable minimum equipment standards including in the specifications listed on the pricing forms. Once the contract is awarded, the successful contractor will be expected to commence work as soon as possible when school is not in session. The North Reading Public Schools is requiring all work to be completed no later than January 31, 2019. This deadline may be extended at the sole discretion of the Director of Finance and Operations, of the North Reading Public Schools.

II. Submission Deadline and Instructions

1. The successful contractor shall be the one(s) with the lowest responsive and responsible proposal with the demonstrated ability to perform the work within an acceptable time frame. It is the desire for the North Reading Public Schools to either award the contract in whole or in parts by School whatever is deemed to be in the best interest of the North Reading Public Schools or the Town of North Reading.
2. Questions concerning this RFQ must be submitted in writing to: Michael Connelly, Director of Finance and Operations, North Reading Public Schools, North Reading, MA 01864. All questions received three (3) or more days prior to the submittal deadline will be considered. Questions may be emailed to Mr. Michael Connelly, at mconnelly@nrpsk12.org. Written responses will be emailed to all applicants on record as having received the RFQ.
3. If any changes are made to this RFQ, an addendum will be issued. Addenda will be emailed to all Applicants on record as having received the RFQ.
4. All proposals submitted in response to this RFQ shall remain firm for the 2018-19 school year. It is anticipated that the contract will be officially awarded within ten days of the deadline as stated herein.
5. A pre-proposal site visit and informational meeting is scheduled for 1:00 p.m. Thursday, December 6, 2018. Interested contractors will be asked to report to the Superintendent's

Conference Room located at 189 Park Street, North Reading, MA 01864 first and then will visit all three elementary schools.

6. Proposals must be made on the forms provided, either in ink or typewritten. Proposals may be emailed to Michael Connelly, Director of Finance and Operations at mconnelly@nrpsk12.org, or submitted in a sealed envelope clearly marked with the name of the bidder and the words “Elementary School Security Camera Upgrades” to the attention of Michael Connelly, Director of Finance and Operations. Proposals must be received prior to 11:00 AM on Friday, December 14, 2018.
7. Bidders are asked to submit a minimum of three (3) references for projects of equal size and scope the firm has serviced in the last three years.
8. The successful contractor shall submit an insurance binder showing proof of the following insurances and amount coverages:
 - a. General Liability: \$1,000,000 Aggregate coverage, \$500,000 per person, or a combined \$1,000,000 bodily injury coverage.
 - b. Property Liability: \$1,000,000 Aggregate coverage, \$500,000 per person, or a combined \$1,000,000 property damage coverage.
 - c. Worker's Compensation: In amounts and as required by the Commonwealth of Massachusetts.
9. The North Reading Public Schools will conduct CORI background checks on the successful contractor’s staff that will be working in the school buildings prior to work commencing. The CORI forms will be provide by the North Reading Public Schools.

III. Summary of Submission Requirements

Interested companies shall include the following information in their proposal:

- Description of firm
- Proposed pricing completed on the bid pricing form attached or in similar format is required.
- A minimum of three references

The deadline for submitted proposals is Friday, December 14, 2018 at 11:00 a.m. The pre-bid site visit and informational meeting is scheduled for Thursday, December 6, 2018 at 1:00 p.m. in the Superintendents Conference Room, located at 189 Park Street, North Reading, MA 01864.

To: All Prospective Bidders

From: Michael Connelly, Director of Finance & Operations

Re **ADDENDUM NO. 1- RFQ-Elementary School Security Camera Systems Project**

Date: December 10, 2018

Below are answers to questions submitted by a prospective bidder regarding information on the security camera system project.

1. In the Batchelder School will Gym Entry camera location be changed from an Interior vestibule camera to an Exterior 180 degree camera similar to the one designated for outside the Main Entry door?
Yes, it will as discussed at the walk through, please reference the attached revised pricing form for the Batchelder School.
2. Can floor plans be provided to help with planning cable pathway especially for the Peabody St Entrance in the Batchelder Elementary School?
Yes, floor plans are attached.
3. As discussed during the walk through, will you be requiring the new NVR to be moved from the closet to the front desk area at the Little Elementary School?
Yes; please include the cost of this move into your price proposals.
4. Will new switches be required to accommodate the new NVR's and new cameras included in the bid specification?
**Yes, new switches will be required to accommodate the new equipment, please include the price of these new switches in your price proposals. The total count of new switches for the new equipment at each location is the following:
Batchelder School (5) Hood School (2) Little School (3) a total of ten switches.**
5. Can you provide any details for an IT/server room located within the Peabody Street door?"
Please refer to the enclosed floor plan for the 4th floor Batchelder Elementary School, (Room 411 highlighted in yellow) which identifies a closer server room that can be used. There are presently fiber runs to every IDF closet in each elementary school building that is available for this project.

This addendum is being sent to all prospective bidders who attended the pre-bid conference and site walk through on December 6, 2018. Please sign acknowledging receipt and fax back or email to my attention Michael Connelly at **978-664-0252 or mconnelly@nrpsk12.org**. If you have any additional questions please contact me at 978-526-5270.

Thank you.

Re **ADDENDUM NO. 2- RFQ-Elementary School Security Camera Systems Project**

Date: December 10, 2018

Below are answers to questions submitted by a prospective bidder regarding information on the security camera system project.

1. In the Batchelder School will Gym Entry camera location be changed from an Interior vestibule camera to an Exterior 180 degree camera similar to the one designated for outside the Main Entry door?

Yes, it will as discussed at the walk through, please reference the attached revised pricing form for the Batchelder School.

2. Can floor plans be provided to help with planning cable pathway especially for the Peabody St Entrance in the Batchelder Elementary School?

Yes, floor plans are attached.

3. As discussed during the walk through, will you be requiring the new NVR to be moved from the closet to the front desk area at the Little Elementary School?

Yes; please include the cost of this move into your price proposals.

4. Will new switches be required to accommodate the new NVR's and new cameras included in the bid specification?

It is the responsibility of the contractor to determine the number of switches needed to complete the scope of work identified by the School District, and as noted herein.

~~Yes, new switches will be required to accommodate the new equipment, please include the price of these new switches in your price proposals. The total count of new switches for the new equipment at each location is the following: Batchelder School (5) Hood School (2) Little School (3) a total of ten switches.~~

5. Can you provide any details for an IT/server room located within the Peabody Street door?"

Please refer to the enclosed floor plan for the 4th floor Batchelder Elementary

School, (Room 411 highlighted in yellow) which identifies a closer server room that can be used. There are presently fiber runs to every IDF closet in each elementary school building that is available for this project.

Re **ADDENDUM NO. 3- RFQ-Elementary School Security Camera Systems Project**

Date: December 11, 2018

Below are answers to an additional question submitted by a prospective bidder regarding information on the security camera system project?

1. How many current IP Cameras do you have at each one of these schools right now?

There are currently no (0) IP cameras in the elementary schools. It's also my understanding that there are no available PoE Switches and limited available PoE ports on existing switches.

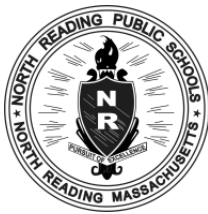

This addendum is being sent to all prospective bidders who attended the pre-bid conference and site walk through on December 6, 2018. Re **ADDENDUM NO. 4** RFQ-Elementary School Security Camera Systems Project

Date: December 11, 2018

Below are answers to an additional question submitted by a prospective bidder regarding information on the security camera system project?

1. How many current IP Cameras do you have at each one of these schools right now?

There are 19 IP cameras that exist currently spread evenly amongst the three elementary schools, 7 at one school and 6 at the other two schools. As noted in the specifications some of the cameras we are requesting are replacement cameras (3) but the majority are new cameras (16).

~~There are currently no (0) IP cameras in the elementary schools. It's also my understanding that there are no available PoE Switches and limited available PoE ports on existing switches.~~

2. Will this work require prevailing wage rates?

This job is being bid under M.G.L Chapter 30b not M.G.L. Chapter 149, therefore prevailing wages rates do not apply.

3. Will this work need to be performed at night or on weekends?

As discussed during the pre-bid conference the work must be scheduled when school is not in session during the week Monday through Friday between 3:30 p.m. and 9:45 p.m. The District is requesting work be completed by January 31, 2019. School is also not in session between December 26 and December 28. The schools will be open between 7:00 a.m. and 3:00 p.m. on these three days.

4. Will you be requiring the contractor to be DCAMM certified and require them to carry a Massachusetts S-License?

There is no such requirement by the District as part of this project.

This addendum is being sent to all prospective bidders who attended the pre-bid conference and site walk through on December 6, 2018. Please sign acknowledging receipt and fax back or email to my attention Michael Connelly at **978-664-0252 or mconnelly@nrpsk12.org**. If you have any additional questions please contact me at 978-526-5270.

Thank you.

INTRODUCTION

Thank You for allowing Alarm Controls Systems the opportunity to offer the best security protection for NR elementary schools.

ACS has been established to offer our customers a wide selection of products and services that represent maximum value in dealing with your security needs.

Our goal is to provide the best product at the best prices and to back that product with superior services.

I trust that the recommendations contained in this proposal are consistent with your security needs and represent solutions for your protection today and in the future.

Sincerely:

Daniel J. Colanton Jr.
